

Job Title:

Horticulture Technician

Location:

Sarnia, ON

Days & Hours:

Monday-Friday with some Saturdays required. 8:00am-5:30pm (weather depending)

Rate of Pay:

Based on experience.

Primary Responsibilities:

Our organization has been operating within the Sarnia-Lambton area for over 30 years. We are a full service grounds maintenance company providing services for residential, commercial and industrial customers. We are passionate about building relationships with our customers, while ensuring their property is maintained to the highest standard possible.

We pride ourselves in giving employees the resources and opportunities to learn new skills and grow within our company, while offering a competitive wage and benefits program.

Approximate start date of this position is April 1st (weather depending). This position can be considered seasonal (April-December) or may develop into full time, year round work based on performance. Main Responsibilities are as follows:

- Plan and co-ordinate the growth and use of plants for landscaping, ornamental uses and other purposes
- Cultivate and prepare garden areas for planting
- Plant and maintain assigned garden areas
- Trim & prune perennial plant material/shrubbery
- Assist in the installation of mulch to customer's garden areas
- Perform necessary garden cutbacks in preparation for the winter season
- Assist in other grounds maintenance related tasks

Experience Required:

- Experience in the landscape/grounds maintenance industry
- Knowledge of plant material and how to properly maintain
- Post-Secondary school diploma in landscaping/horticulture considered a strong asset

Additional Requirements:

- Must be willing to work in all weather conditions throughout the seasons
- Must be flexible as our work load is dictated by the weather
- Must have a valid driver's license
- Reliable transportation is required
- Strong communication skills
- Ability to work efficiently within a team environment and independently
- Willingness to learn and develop new skills
- Desire to obtain a long term career within the Landscape/Horticulture industry

HOW TO APPLY:
